5. Correspondence Emails from

Daniel Prisk, Notts.C.C. Highways Division advising that the Notts Local Access Forum is currently looking for new members. Following a Group email request Graham Hubbard and Keith Boswell have expressed interest.

Georgia Stone, a student from Nottingham Trent University requesting, at just a few hours notice someone to be interviewed at the University on Cycling Safety. No one was available.

Rob Ainsley, CTC asking Member Groups to nominate a favorite Café. We decided to nominate Mountsorrel.

CTC National Office- Get organized with teamer.net -CTC Member Groups may like to look at 'Teamer', a free sports management tool. According to the blurb, it can help you to invite group members to rides and events and view their responses; track attendance; and notify members of cancellations and changes. It could also be a useful tool when arranging awards nights, AGMs and so on. If your group does use it, do let me know what you think.

7. Finance

Email from our Auditor Stewart Foster regarding valuation of the club trophies. He has taken advice from CTC National Office and will write down their value each year. Most of the trophies have been stored for many years and at some future meeting Terry will bring them to the committee meeting for the committee to try to decide their future.

8. Events

Bleasby Tea will be on 8th June.

9. Publicity

Phone call from Dave Whitfield, Nottingham Post asking permission to include some of our weekly rides in a new listing they are going to publish in their Saturday edition.

Dave Griffiths has produced a new publicity leaflet. Terry will get a quote for printing.

10. Roger's Legacy

A proposal from Steve for the use of Roger's legacy:

Use £1000 for awarding prizes over the next 10 years at the AGM for Jeff's points competition to "spice" this up a bit. I suggest spending £100 per year for 10 years to buy a Green Jersey for the points winner and smaller prizes for the next 4 places – e.g. track mitts. The prizes should be acknowledged as coming from the Roger Codling Legacy.

Restrictions on group secretaries not being included should be lifted for these prizes (not that I will win anyway). This avoids the need to organise a separate event.

The remainder (about £1650 should be split between the Air Ambulance and CTC Defence Fund.

Various ideas were discussed and we are going to follow up on the following - the Points Competition with revised rules, Bleasby Tea – a memorial Cake and possible hire of room, a subsidised Club Jersey bulk order and Notts CTC reflective mudguard stickers.
