## **7. Finance**

Stewart confirmed that the profit from the Charnwood in the Spring Audax had been £308.

## **8. Events**

Dave reported that Mark & Ruth would not be able to organise refreshments, for this year's Sid Standard Memorial Ride - due to family commitments. Our appreciation for all of the past hard work by Mark & Ruth was noted, and it was decided that we should try a different format this year. Specifically, organised rides on the relevant date would visit Sid's memorial in Derbyshire if they wished - and then all rides would meet up at Shipley Park cafe at about 3pm, rather like the Bleasby Tea meet. The date for this event will be either 6th September or 13th September - date to be finalised before Rides Lists are produced at the end of June, for the next issue of Cyclonda. It was confirmed that we would like to provide a special cake again, in memory of Roger Codling, at the Annual Prize giving and AGM.

## **9. Publicity**

Dave intends to contact the Nottingham Post, with a view to getting them to publish one or two routes used for Saturday rides, and hopefully to gain some extra publicity both for these rides and for Notts CTC more generally.

## **10. Roger's Legacy**

Stewart confirmed that despite some relatively large items of expenditure this year, there is still about £2,000 remaining in Roger's Legacy Fund. It was noted that there are a number of forward commitments to spend from the fund (Water Bottles, Annual Prizes etc) and generally this was all felt to be acceptable.

## **11. A.O.B**

Reg expressed his appreciation for the article in Cyclonda about his 50 years of membership of CTC, and for the presentation of his certificate at the recent CTC East Midlands meeting.

Meeting was attended by Keith Alderman, Jeff Burton, Stewart Foster, Dave Terry, Cathy Melia, Reg Tuckwood, & Dave Griffiths
